### **Homewood Suites by Hilton® Jacksonville Revamps Website**

**JACKSONVILLE, FL — May 5, 2006** — The Homewood Suites by Hilton® Jacksonville re-launched its website this week. The hotel is a member of the Hilton family and offers 116 well-appointed guest suites as well as complimentary high-speed Internet access throughout the property. The website address is [www.homewoodsuitesjacksonville.com](http://www.homewoodsuitesjacksonville.com) and is live on the world-wide-web. The updated site features a new enhanced look, improved navigation, and easier access to information about the hotel and surrounding area.

“When we did our annual strategic planning recently, one area of opportunity that came up was to improve our existing private website for the hotel. With more and more guests using the Internet to shop for lodging accommodations we wanted to increase our visibility on the Internet,” remarked Bob Pierce, Director of Sales. “We’ve added new features such as a local events calendar, special information pages, the monthly posting of our evening reception menu and new links to make a reservation. Of course we kept some of our popular features such as local area attractions and businesses,” remarked Mr. Pierce.

The website for the Homewood Suites Jacksonville contains information about the amenities of the hotel as well as regional points of interest, businesses, leisure activities, and restaurants. Guests that book from [www.homewoodsuitesjacksonville.com](http://www.homewoodsuitesjacksonville.com) will be re-directed to the Hilton branded website for Homewood Suites where the best rate guarantee can be obtained. In addition to guaranteeing the lowest rate available from any Internet site, the new website assures travelers that they will earn their valuable Hilton HHonors® points and miles. HHonors® is Hilton’s industry leading guest loyalty program that earns complimentary stays throughout the Hilton network and miles in your personal airline program.
